Hello!

HAMHAM BRUSSELS SRL is a **creative design studio** located in the heart of Europe. As a creative studio, we're constantly looking for new ways to **bridge the gap between your ideas and your audience**, using **storytelling, imagery, sound and the latest technologies** to convey your message through a creative process that's been tried and tested for some fifteen years.

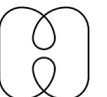

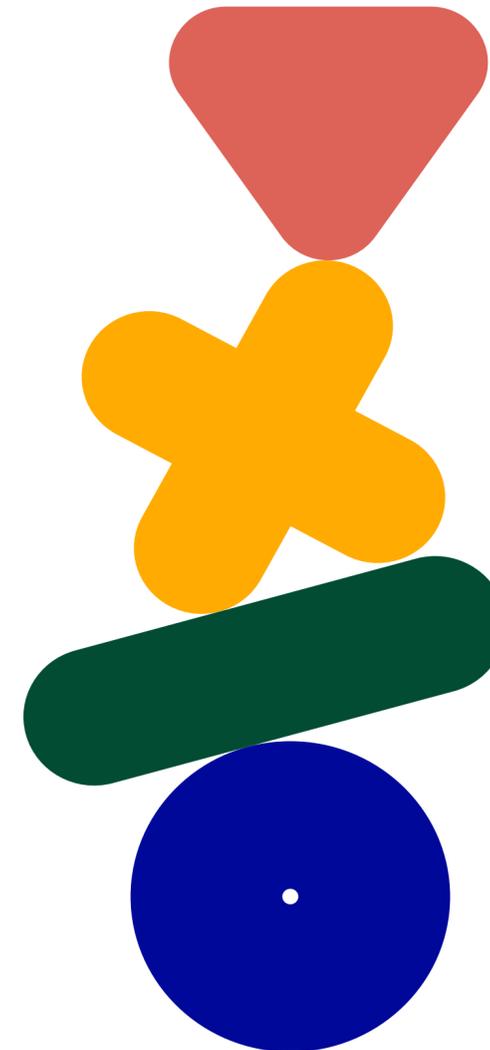

With our motto "**Media Loves You**", we're expanding our business and aiming to deliver distinctively designed content to our customers, across **all media platforms**.

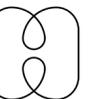

Services

We specialize in visual content creation.

At Hamham Brussels, we turn ideas into compelling **visual experiences**. Our **expertise in motion design**, graphic design, interactive 3D and visual effects for film, TV and the web enables us to create content that is both innovative and impactful. **With over 15 years' experience**, we work with renowned agencies and prestigious clients to bring their most ambitious projects to life. From conception to realization, we put our know-how to work for your vision to produce **engaging and memorable works**.

- **Web Design**

Contact us Work

Welcome to HamHam Brussels
**We Blend the creative
and the interactive with
graphic & Motion design**

MOTION DESIGN

We offer motion design services "à la carte" for creating impactful animations, immersive visual effects, and captivating promotional videos. Our experienced team utilizes the latest techniques to bring your ideas to life and tell visually engaging stories. Whether it's for television, cinema, or advertising, our motion design productions deliver exceptional visual experiences.

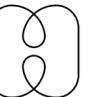

GRAPHIC DESIGN

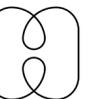

Our talented team of graphic designers provides high-quality graphic design services, including logo creation, posters, brochures, and marketing materials. We channel our creativity to enhance your brand with eye-catching and professional visuals. With a focus on visual identity, we design unique graphics that strengthen your presence across various mediums.

INTERACTIVE

We specialize in creating interactive 3D experiences, including 3D modeling, virtual reality, virtual tours, and interactive applications. Our team utilizes the latest technologies to deliver immersive experiences that captivate users and transport them into breathtaking virtual worlds. Whether it's for architectural projects, entertainment applications, or immersive virtual tours, we create unique experiences that foster engagement and interaction.

DESIGN & ANIMATIONS

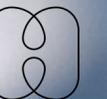

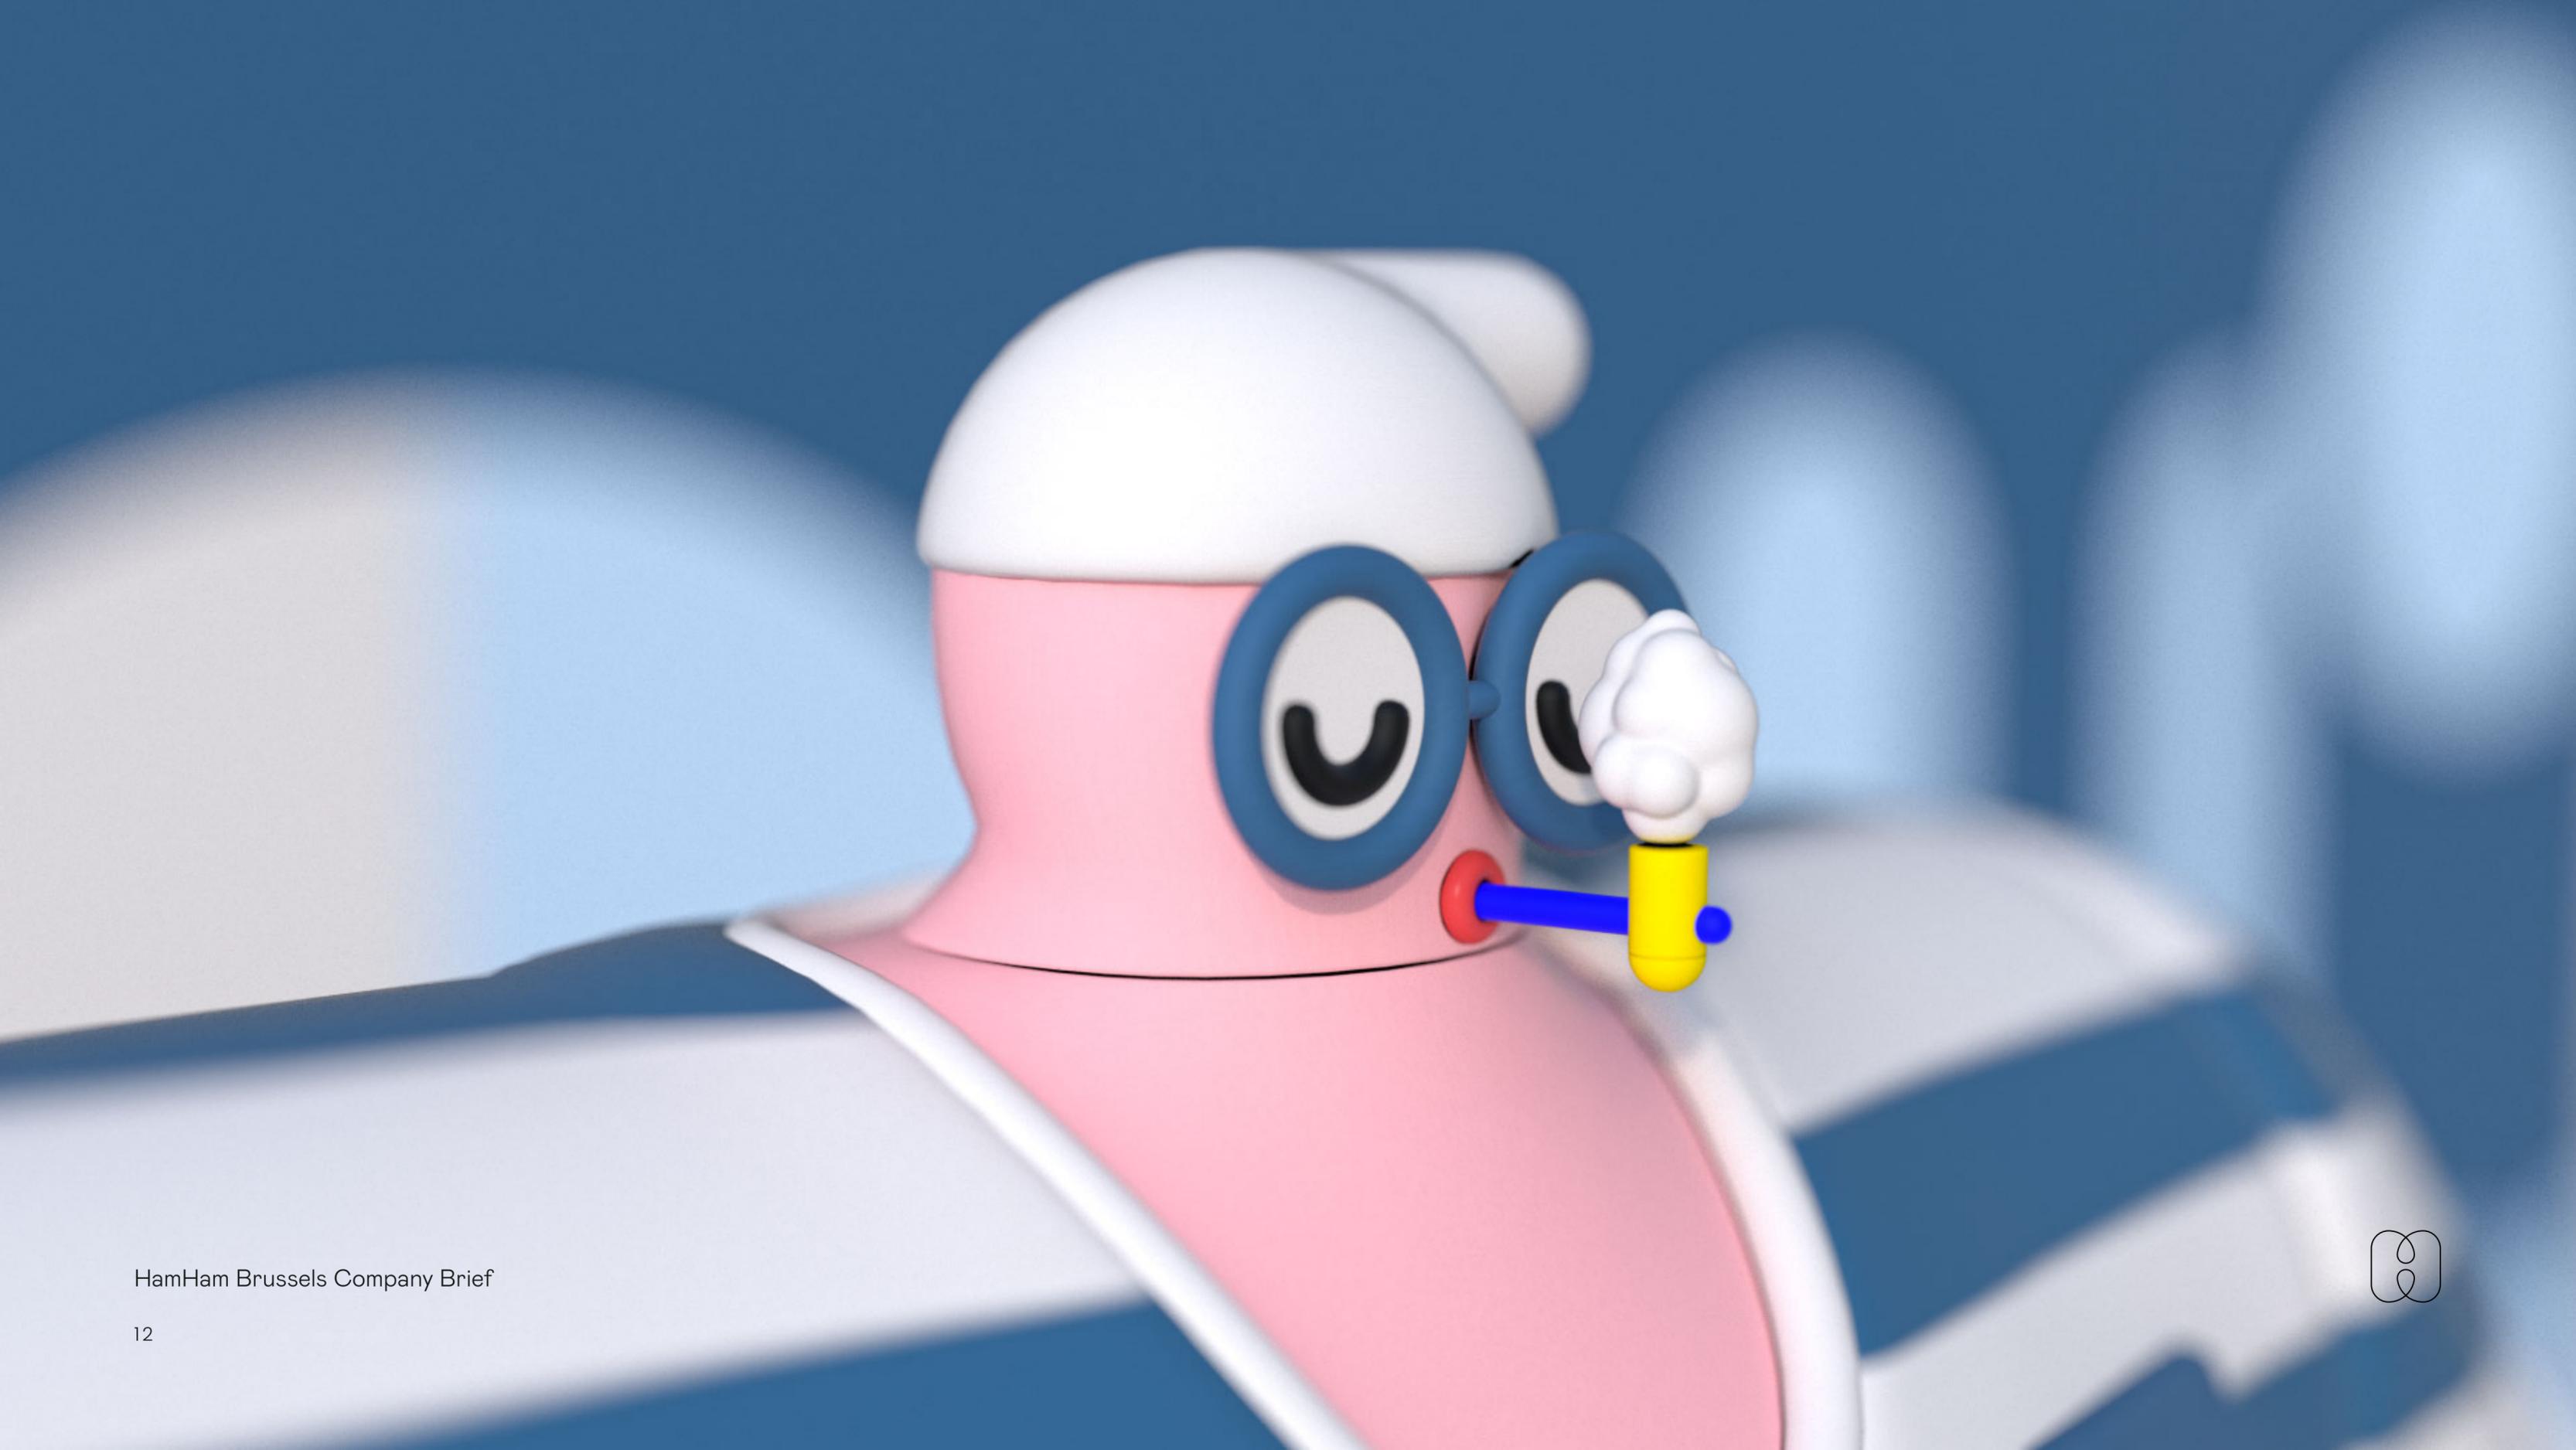

WE CREATE EXCLUSIVELY FOR YOUR COMMUNICATION

From **title sequences** for film or series to animated mascots and **interactive 3D**, we put our know-how to work for your message. Explore our varied portfolio to discover how we can enrich your project with our professional approach and **passion for design**.

[Our website](#)

- **Motion Graphics**
- **3D/2D Character Animation**

- **Social Media Visuals**
- **Title Sequence**

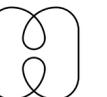

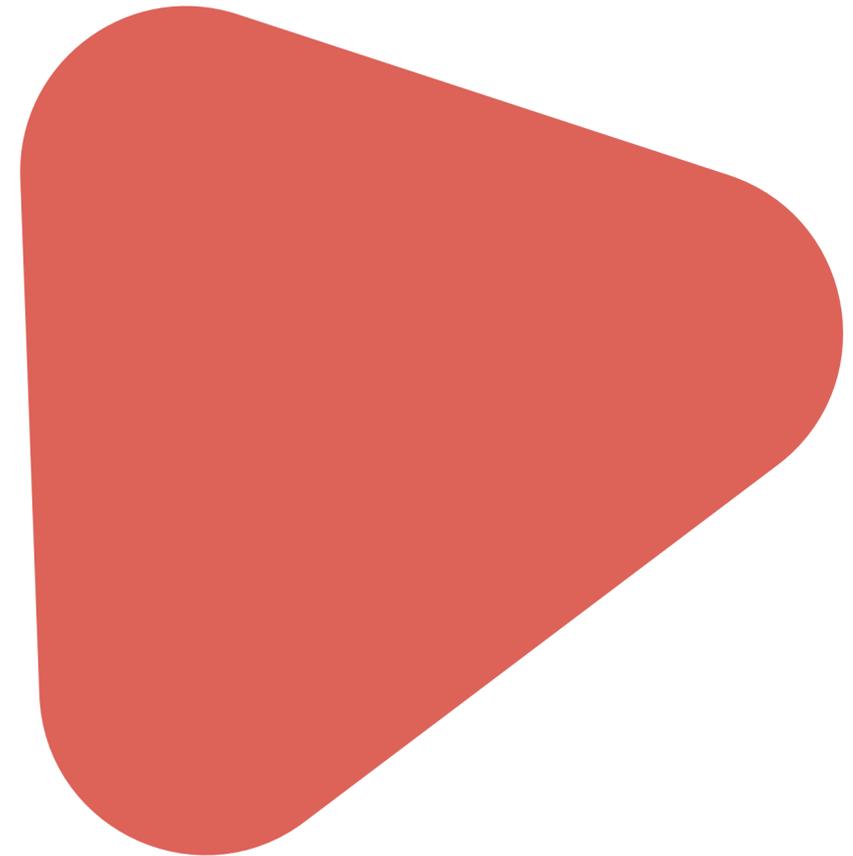

TO BE VISIBLE EVERYWHERE

YOUR BRAND EVERYWHERE

We take it a step further by converting your **digital content** into **outdoor presence**. From your screen to your stand, we extend the digital to the physical world and vice versa.

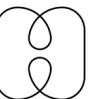

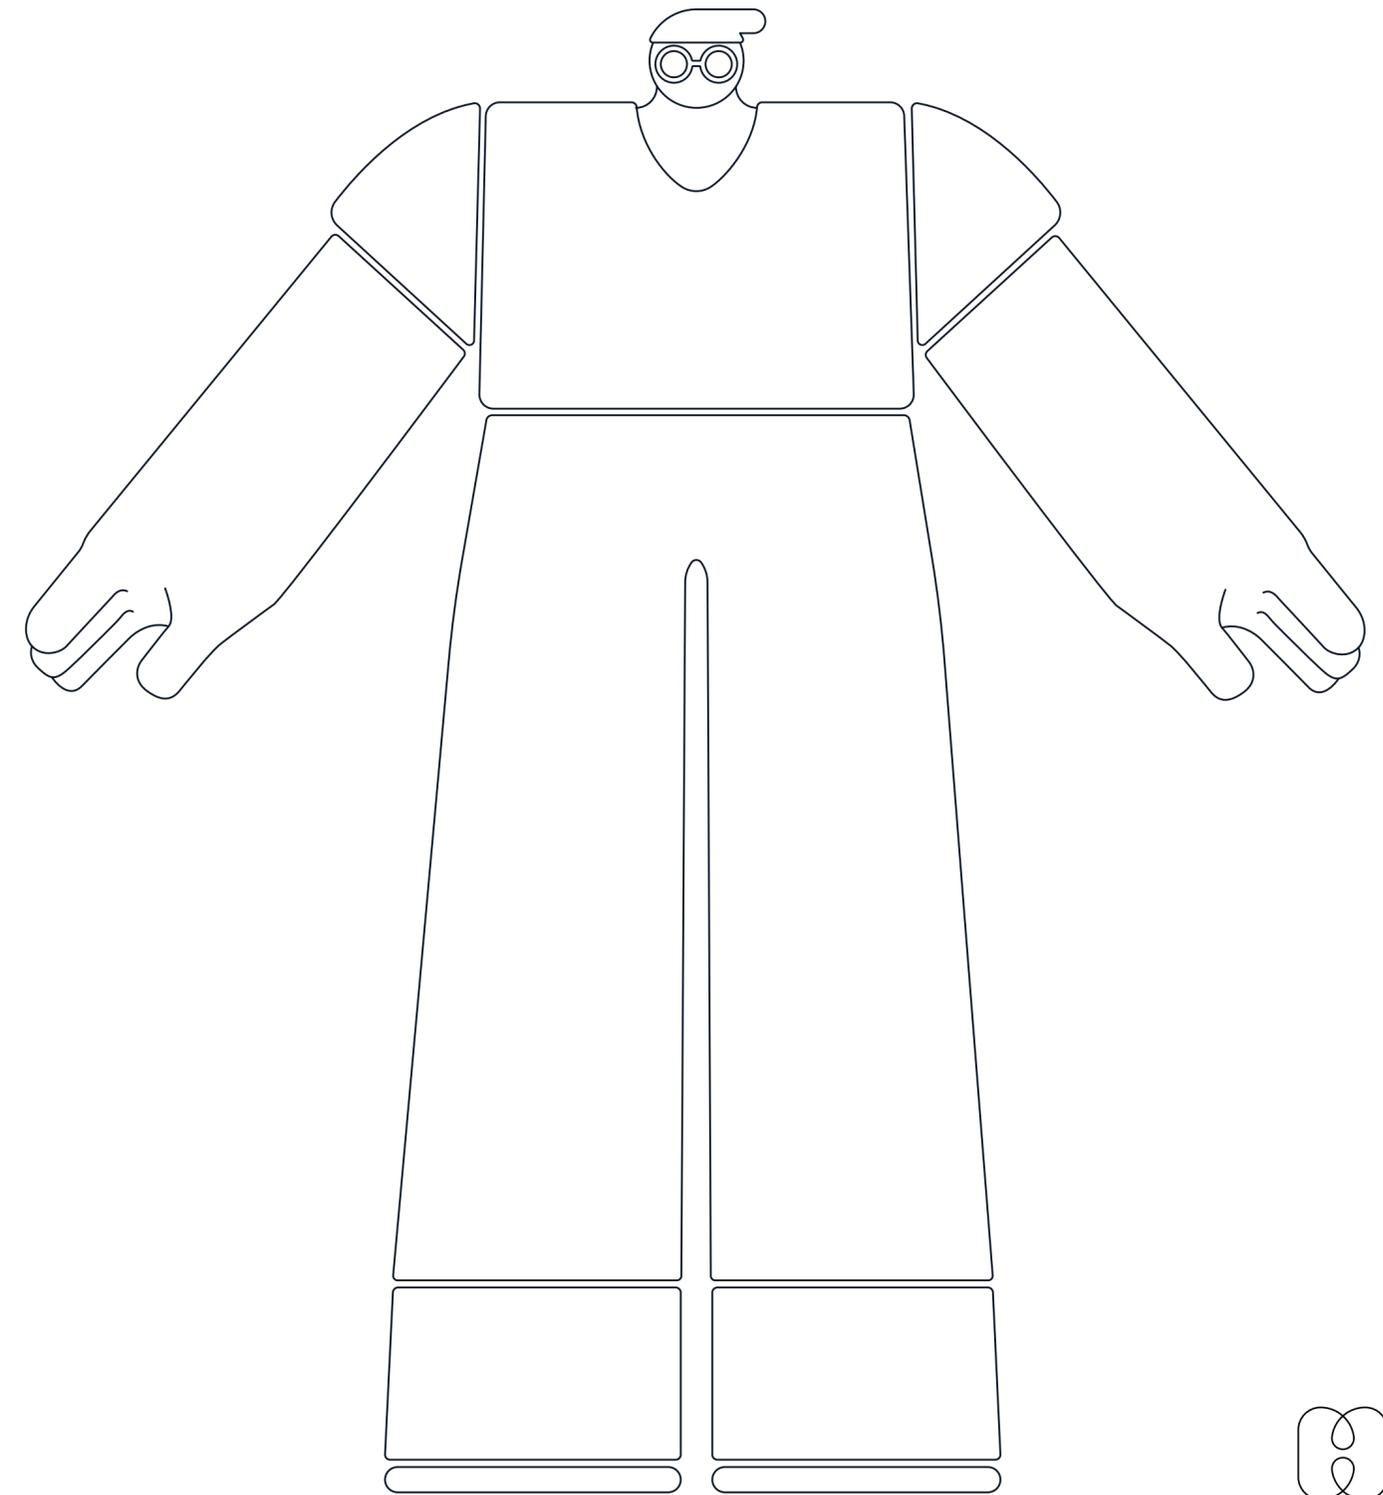

- **Digital Printing**
- **Installations**
- **Bilboard Video**
- **Video Mapping**
- **3D Printing**

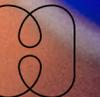

HAMHAM SUPERFICTION

EXAMPLES

To show you how **superfiction** can **transform your projects**, follow Hamham, our mascot, on a fascinating journey through the **digital multiverse**.

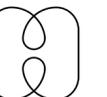

WHAT WE ENJOYED DOING

WE CREATE, WE HELP AND SOMETIMES WE'RE SUCCESSFUL

Over the past 10 years, we've concentrated mainly on producing work for **Belgian national television**. From advertising bumpers to explanatory films, special effects and TV show graphics, we've even produced a **hundred animations** for a weekly show. This has enabled us to gain experience in finding **creative & effective solutions** in a wide range of animation processes, plastic diversity and subject matter for a wide audience. On the other hand, with our passion we have the chance to work with the most prestigious communication agencies for **advertising or experimental digital projects**. Most recently, we created a fully interactive 3D station for KONE, the title sequence for a feature film, and the credits

and packaging for a comedy series:

- **RTL Belgium**
- **RTBF**
- **Happiness Brussels**
- **DDB**
- **Publicis**
